

## CVPOA PRESIDENT'S MESSAGE

There's something very exciting about a new year: a clean slate, with fresh beginnings and opportunities to start anew. We've all learned over the past few months how easy it is to let our differences get in the way of what we have in common: our neighborhood, and our love of it. I, for one, would like to put that behind us and move toward bringing us back together. I would like you to join me in reuniting us as a community and as *neighbors*.

This year, as always, we'll be working on a robust list of projects and collectively we'll be deciding how best to approach them for the betterment of everyone. As we move forward, let's remind ourselves of what we truly love about Champagne Village. In this love we have for our community, we'll find the answers on how to get things done *together*. I'm certain you'll agree that we all feel better when we know what's occurring in our environment. Information greases the wheels, empowers us with knowledge, and engages our understanding! To be sure, I am fully committed to making sure that we more effectively communicate with each one of you so you'll better understand not only *what* is happening, but *why* it's happening, and *how* we do things.

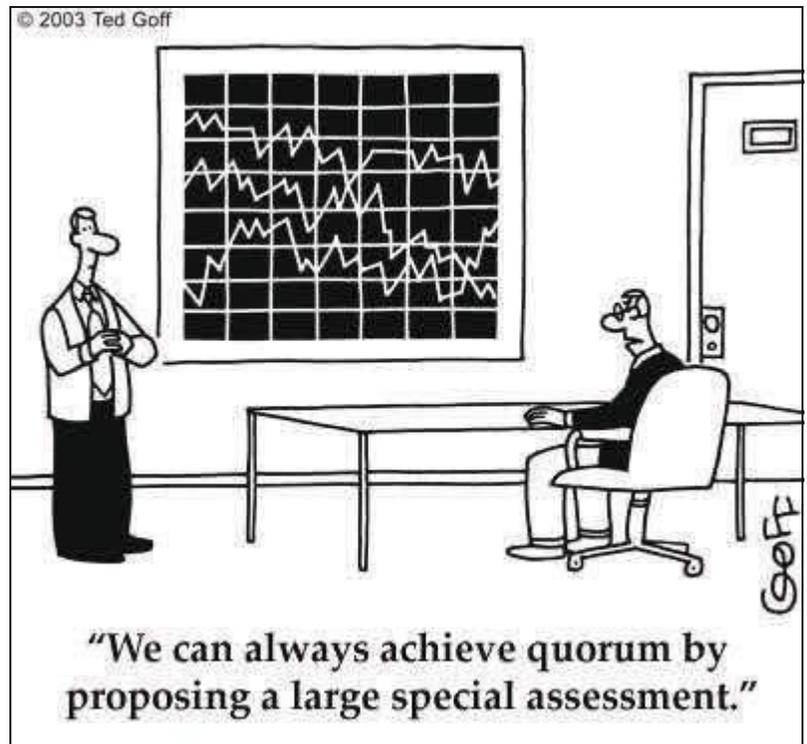

Over the coming months, you will see some exciting changes in the way we communicate - as a Board, and as a community. Just as important, you will have more effective opportunities to communicate with your Board. I am hopeful these changes will help each of us feel better about moving forward together, to make Champagne Village the best it can be. So much to do, yet so much for which to be thankful. Personally, I am thankful for Champagne Village, all that it is and all that it can be. I am also sincerely thankful for your support, both in the past and in the coming year. I'm confident that, together, we can make things better for everyone. This is going to be a great year!

Warmest regards,  
John E. Grubb  
President, CVPOA Board of Directors

### RESERVING SPACE FOR YOUR MEETING OR EVENT

The Village Hall, Card Room, Library, Picnic Area and Multi-Purpose Room (also known as The Gathering Place) are available for all CV group meetings and events. Karin in the Office is the **only** person who keeps the master calendar and she is the one you must contact to confirm availability. Once you **must** complete a **Calendar Reservation form** (kept on the wall outside her office) and turn it in to her. Without that form, there is no proof that you reserved the room. Also, remember to let her know if you need to cancel your reservation if you don't need it after all.

### GARAGES

- This applies to those lucky people with garages. The main purpose of garages is for the parking of vehicles, not storage. If you have a two car garage and two cars, both cars must be parked in the garage. Storage of items cannot preclude you from parking in the garage for any reason.
- Garage doors should only be open when you are entering or exiting the garage in your vehicle.

### AFTER HOUR EMERGENCIES

If you have a *non life-threatening* emergency after the CVPOA Office closes, please dial the office phone number (760) 749-8008 and wait on the phone for a live person who will answer your call. If it's a life-threatening emergency, call 911.

### SUMMER POOL HOURS

June 16 - September 15

ADULTS - 8 am to 9 pm  
CHILDREN - 11 am to 2 pm  
5 pm to 7 pm

## CHAMPAGNE VILLAGE IS A POLLING PLACE Tuesday, June 7 - all day

The Hall and Card Room will be used for the national elections.

### CHANGE ADDRESS FORMAT PLEASE!

There are many pieces of mail that have the last number or two missing off the space numbers. To avoid this problem, it is suggested that you start using the following format as your address so that the space number cannot be cut off: **8975-XXX Lawrence Welk Dr.** The Office address would be 8975-461 Lawrence Welk Drive. Also, if anyone receives mail that is not theirs, BRING IT TO THE OFFICE or drop it in the CVPOA drop box. Don't open it, keep it or leave it at the mail boxes!

### SNAKES ALIVE

Due to the warm weather, snakes are on the move again. Please be careful where you walk and when you put your hands around plants in your yard and in the Village.

**PLEASE DON'T KILL SNAKES.** Snakes are valuable predators that keep the rodent population under control. If you find a snake we will be glad to remove it for you. We take them to a remote location in the mountains and release them in a safe place.

## **LAST DAY FOR THE COFFEE GANG MANAGING THE GATHERING PLACE IS FRIDAY, JUNE 3**

*As of Friday, June 3 the Coffee Gang is suspending its daily management of the coffee shop. We hope that The Gathering Place has been a happy place for everyone and that other groups and clubs will open the doors for coffee in the morning.*

We, the Coffee Gang of The Gathering Place, are excited to announce a new direction. The Coffee Gang is our small group of women who have underwritten financially and organized operationally all aspects of the coffee shop since its opening two years ago.

We will turn instead to concentrate on future free and low-cost patio parties for all Village residents. The first of these will be an early evening Road Rally Contest called “The Great Race” with a party following around the fire pits on October 1.

We are also excited to tell you about our special Patio Flea Market during the Village’s Garage Sale on Saturday, June 4. Many extra supply and decorative items will be available at extremely low prices. We hope to see all of you there.

It has been our pleasure to serve you over 10,000 mugs of premium coffee and to have raised a total of \$4,225 to fund your morning get-together spot. We also send our many thanks to the 50 hostesses who have so cheerfully and competently helped each of those mornings.

Our best to you each morning! The Coffee Gang: Judy, Doreen, Cindy, Marilyn, Donna, Billie, Karen, Betty, Bev

The Garden Tour was fantastic! Our thanks to all who shared their lovely yards, and to all who donated to Care & Concern.

Also, thank you to all those who worked hard to make our annual 80+ luncheon a wonderful event.

# WELCOME NEW RESIDENTS

By Bev Davenport #136 & Gene Lunden #122

## # 428 Paul & Yvonne Scott, 224-9086

Paul and Yvonne love the setting of their new home and our Village. They love the mature oaks and liquid amber trees. They enjoy the friendly residents, owning their own lot, and all the amenities. They have a grey and white cat named "Leo", and Paul loves gardening and working out in the gym and swimming. They love being with family and grandkids and Yvonne loves to sew and cook, work in the garden, take care of her mother and four grandkids. For sure they will both be enjoying the year round pool and jacuzzi. Paul has been director of quality control at Sun Gear for 18 years, a company which make gears for the aerospace industry.

## #285 Burt & Margaret Mills, 379-7501

Burt and Margaret Mills recently moved to the Village from Lake Isabella (near Bakersfield). They are familiar with CV because they used to come and visit Burt's sister Joan Burritt and her son, Gary, who are residents here. They liked the lifestyle and the area so much they decided to make the move. Burt likes to take walks and he and Margaret are both planning to take advantage of the swimming pool. Burt is now retired. He previously worked in processing film for the motion picture industry. Margaret likes to do art work and read. Burt is 92 and Margaret is 90 and "we both plan to live to be at least 100".

## #277 David & Kitty Koss, 580-8279

David and Kitty recently moved in to the Village from Hidden Meadows. They know the Village well and when they decided to downsize their residence this is where they wanted to be. David worked for the city of San Marcos in building maintenance until he retired. Kitty works part time for the Valley Christian school in San Marcos and they are both active in the church. They have lots of family nearby, although they only have one child, a daughter, who lives in Washington D.C. Kitty spends most of her free time interacting with family members. David plays on a softball team, is planning to shoot pool in the Village Hall, and also wants to play some golf.

## #303 Bill & Vickie Blacklidge, (360) 483-6587

Vickie and Bill recently moved in to the Village from Lynden, Washington (north of Seattle). They lived in Escondido for a period of time about 27 years ago. They have a daughter and granddaughter and other family members who live nearby. They are enjoying the sunshine and don't miss the rainy weather in the Northwest. Bill spent about 30 years in the drapery installation business. He enjoys doing remodeling and is planning to spend a lot of time redoing their home here. Vickie is looking forward to spending time with their daughter and granddaughter. She also plans to be active in the Chorus here.

## DIGITAL DIARY

By Richard Coffman #212

### OBTAINING COMPLETE CAMPAIGN SPEECHES

You may have noticed that when TV commentators describe a speech given by your favorite candidate, they often put a "spin" on it. If you do a Google search you can bring up a transcript of the speech to check out what was actually said. Simply put in the **candidate's last name**, the **word speech**, the **location of the speech** and the **date it was given**. If you do a search of YouTube using the same instruction from above, you can bring up a complete video of the speech. Nothing like being in the know!

### ELECTRONIC RECYCLING

Verizon no longer takes electronic items for recycle. Instead take it to the Staples store at 1358 W. Valley Parkway in Escondido. Take it to the tech counter in the store. Before you go, do an internet search for the phrase "recycling-staples" and click on the resulting Staples webpage. It will give you the list of electronic items that they will take for recycle. Their phone number is 781-3930. Their hours are 8 am to 9 pm.

### WIFI IN THE VILLAGE HALL

There is WiFi capability in all sections of the Village Hall. You can connect your laptop or tablet at any time.

### VILLAGE EMAIL LIST

If you would like to be on the VILLAGE EMAIL LIST, simply send an email to me at [welkman1@gmail.com](mailto:welkman1@gmail.com) asking to be put on it for late-breaking news, Villagers' things for sale and other helpful information. I do not share the names on the list.

## IF YOU NEED HELP

### FRIDAY SHOPPING TRIPS

Resident Martha Sumner is using the CV van to drive residents to the grocery store and/or drug store on Friday mornings. *Residents who no longer drive are welcome to ride the van to do their shopping.* The van will leave the Village Hall parking lot at approximately 9 am each Friday morning. If you would like to do your shopping this way, ***contact Karin in the Office (749-8008) before 4 pm on Thursdays to put your name on that Friday's list of riders.*** Other drivers are welcome to contact Karin and share the driving.

### NEED YOUR FRUIT PICKED?

By Etta McQueary #299

### CALL 9-1-1 for a FREE lift assist!

**There is no charge to call the fire department if you fall and cannot get up. Please don't rely on your senior neighbor to help you. None of us should be doing any heavy lifting!**

### FREE HOME CARE EQUIPMENT

If you ever need a wheelchair, walker, portable toilet, toilet riser or crutches, ask Karin in the Office to show you what's available. There is no fee. Use it as long as you need it and return it (clean) when you are done. Also, please consider donating any item that you no longer need.

### FRIENDS HELPING FRIENDS

If you need a ride to a medical or dental appointment please call **RICHARD NORMAN (760-445-3437)**. This service is NOT for shopping or for hair appointments.

### What is Veterans Aid and Attendance Pension?

The Aid and Attendance (A&A) Pension provides benefits for veterans and surviving spouses who require the regular attendance of another person to assist in eating, bathing, dressing and undressing or taking care of the needs of nature. It also includes individuals who are blind or a patient in a nursing home because of mental or physical incapacity. Assisted care in an assisting living facility also qualifies.

The A&A Pension can provide up to \$1,788 per month to a veteran, \$1,149 per month to a surviving spouse, or \$2,120 per month to a couple. A veteran filing with a sick spouse is eligible for up to \$1,406 per month. Many families overlook the A&A Pension as it pertains to veterans who are still independent, but have an ill spouse. Keep in mind that in this situation, if the spouse's medical expenses completely depletes their combined monthly income, the Veteran can file as a Veteran with a sick spouse. For more information go to their website [veteranaid.org/about.php](http://veteranaid.org/about.php)

**(Note from editors: the process is long and complicated, and could take over a year because of the backlog. You can hire an agency to help you.)**

## HEALTH INSURANCE NEWS

By Carla Grills, #105

One of the most expensive areas of health care for seniors is the cost of drugs. There are several ways that one can reduce drug costs. Shopping for the plan that best covers your drugs, using your network pharmacies, and ordering drugs through mail order programs are all a good start.

Generics are often mentioned as an economical alternative to brand name drugs. However, if you are someone who reaches the drug coverage gap early in the year then your costs excel quickly. During the gap you will find that brand name drugs are covered at a higher rate and some companies also give discounts for branded drugs. It pays to compare the cost of brand name drugs during this period. Brand name drugs may save you money over generics during the gap period.

Another important way to save is a program called Extra Help. You automatically qualify for extra help if you have full Medicaid coverage, if you get state help paying your Part B premiums or if you get Supplemental Security Income (SSI) benefits.

In 2016 you may qualify if you have up to \$17,820 in yearly income (\$24,030 for a married couple) and up to \$13,640 in resources (\$27,250 for a married couple). Countable resources include: money in a checking or savings account, stocks or bonds. Resources that **do not** count are: your home, one car, burial plot, up to \$1,500 for burial expenses if you have put that money aside, furniture and other household and personal items.

If you discover that you qualify for extra help and have purchased drugs since you qualified, you may be reimbursed partially for receipted purchases. For more information call Medicare's Newly Eligible Transition program at 1-800-783-1307.

## CV CHORUS

By Laretta Broderick #422

June is busting out all over and the buds are bursting out of bushes. June, the month of roses, is a feast for the eyes and nose. Are you stopping to smell the roses? Our chorus members are on summer break, but music is always buzzing in our heads. Our chorus will resume in September and we look forward to welcoming new members. We are a diverse group of music loving people who normally meet Tuesday mornings at 10 am. It's a great way to start the day that lingers throughout the week. May your summer bloom with health and happiness.

## WHAT YOUR BODY DOES IN A DAY

**The cells in your stomach lining produce an alkaline substance every few milliseconds to neutralize stomach acid. If they didn't do this, your stomach would digest itself because some of the acids are strong enough to dissolve metals.**

**Most of the body's energy is expelled via heat. Your body produces the same heat as 25 light bulbs over the course of a single day.**

**Red blood cells literally shoot around the body, taking less than 60 seconds to complete a full circuit. This means that each of yours makes 1440 trips around your body every day, delivering oxygen and keeping your body energized. Each cell lives for about 40 days before being replaced by a younger model. It's no surprise their life span is short, having made 60,000 trips around the body, they must be exhausted!**

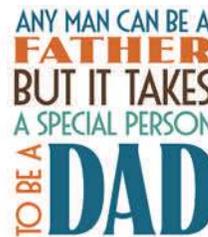

## CARE & CONCERN COMMITTEE

By Cindy Deggendorf #417

### *The Care and Concern Committee*

would like to thank Linda Clifford for all her years of faithful service to the Care and Concern Committee that she started many years ago with a handful of committed servants which has grown into over 110 caring people! And the Committee welcomes Barbie Floyd, CC&C Coordinator; Donna Perez, Secretary/Treasurer; Charlotte Steele, Newsletter and all those yet to be named Team Leaders.

### **June 19 is Father's Day.**

Happy Father's Day to all the Village fathers, grandfathers, great grandfathers, stepdads and all the men who influenced children who had no dads. Men, you are so important in a child's life! A

certain son wrote down 80 reasons why he loved his dad and posted them to Inbound Marketing Blog. Here are a few. **He loves my mom** like no man has ever loved his wife. **He leads and lives by example.** He once found \$1,600 under a mattress (at the Waldorf we had stayed at while on vacation) and he turned it into the police. When they didn't find the owner, he donated it to a shelter for runaway kids. **He served our country** in the Korean War. **He finally bought himself a Miata** after a decades-long string of owning brown station wagons for the family. **I've never heard my dad say that he hates someone.** He is proud of his country. **He garnered the respect of his colleagues and peers** because he didn't need to command that respect. **He believes in freedom of speech.**

## CV LIONS CLUB

By Alan Rings #386

The Lions Club thanks the 100+ Villagers who generously supported our Italian Bistro dinner fundraiser. We raised \$1,651 with more donations still trickling in. This amount, along with donations from other Lions clubs, exceeded our goal of \$6,764 to purchase a vision screening device for use on children 6 months to 6 years of age. Early detection, when the eyes are still developing, can result in vision problems often being corrected with no difficulties later in life. Early detection can also prevent some children from being diagnosed with Attention Deficient Disorder (ADD) and being medicated, simply because they cannot see well enough to keep up in class.

On May 21 several Lions Villagers were trained and certified on the PlusOptix device: **Jack McGrath, Alan Rings, Deanna Clatworthy, Carol Cox, Bonnie Urso, Janice Gleyzal and Rudy** and **Wanda Koehl**. In the fall they will start conducting screenings at area preschools.

At the Lions dinner meeting on May 18, new Officers and Directors were elected. **Jack McGrath** will be President, **Sandy Sidars**, First Vice President, **Rudy Koehl**, Second Vice President, **Kay Fried**, Secretary, **Alan Rings**, Treasurer, **Arlene Garich**, Director, **Janice Gleyzal**, Director and **Jack Cox**, Past President. The installation will be held at the Club's dinner meeting on June 15 at 5:30 pm. The speaker will be **Randy Stein** of the Lions Sight and Hearing Foundation.

Flange Plunger

Cup Plunger

You're supposed to use a flange plunger for your toilet and a cup plunger for your sink. You just use the cup plunger for both, don't you?

You're supposed to lay a wooden spoon over the top of a your pots to prevent spillover when things boil. The wooden spoon can take more heat than its plastic counterparts and it pops the steam bubbles.

## CV MEN'S GOLF CLUB

By Pat LeRossignol #435

There was no Men's Club meeting in May due to the **Men's/Women's Open** held earlier in the week. Everyone had a great time at the **Open** and they had to use a "card off" to determine the winning group since four teams tied with a score of 50. Four under, not bad! The "card-off" made the team of *Karen Smith, Terry Quimby and Mike Mann* the winners. Congratulations to them and everyone else who participated. Closest to the Pin winners for that tournament are listed in the Oaks Ladies article.

Only six of us played on the Fountains on the 19th, but one was our new member, Jim Hamilton. He and his wife Janie moved into #268 and they've been busy re-doing their house for a couple months. Now that it's eased off a little, they'll both be out golfing a little more.

The biggest **Fountains** winners for the month were Bill Glenn, Wayne Tillman and Eddie Bennett. Since we had no meeting, I will be passing out the money over the next few Thursdays. We're still looking for new members on both courses, so get out and talk to your neighbors.

## FOUNTAINS LADIES GOLF CLUB

By Betty Service #259

The Fountains Ladies Golf Club plays every Wednesday at 8 am. We are now a golf "social" club with no officers, just ladies wanting to golf and have fun.

Each month two ladies choose games to play and the buy-in is \$2. If you don't wish to participate, you can just play golf. The winnings are given out at the end of the month.

For more information, please contact Betty Service, Communications Chair by phone or email (749-0575 or [betty.service@gmail.com](mailto:betty.service@gmail.com)).

## NEW RULES FOR SENIOR GOLFERS

### Rule 3.b.3(g)

There shall be no such thing as a lost ball. The missing ball is on or near the course and will eventually be found and pocketed by someone else, making it a stolen ball. The player is not to compound the felony by charging himself or herself with a penalty.

## OAKS LADIES GOLF CLUB

By Bev Bedwell #394

The Men's and Women's Golf tournament was held on May 17 at the Oaks Golf Course. Coffee and donuts from Petersen Bakery started off the morning, followed by a shotgun scramble format.

The Men's Club was in charge of the luncheon and provided yummy sandwiches from Jersey Mike's. A chocolate layered dessert was provided by Sue Kessler. Oaks Ladies President, Betty Service, proposed we name the tournament in honor of Leah Kapp, who is suffering some very serious health issues. It was voted unanimously to do that in the future as well. She contributed her time and talent to both clubs in the past in running this tournament, as well as many other functions.

The prize fund paid out four places, too numerous to mention all the names. The closest to the pin was won by Doreen Burchett, both holes! The men's was Mike Mann and Jim Fields. Good job everyone, especially Bob and Sally Olsen, Bill Cowan, Allan Whaite, Mike Mann and Betty Service. Thank you to all that helped in any way.

Reminder: Bring \$30 dues to the June meeting.

## CV TENNIS CLUB

By Diane Hoadley #250

The CV Tennis Club held its monthly meeting/potluck on Thursday, May 12.

A wonderful main dish of Greek chicken was served to us by Matt and Delores Madsen, assisted by Nancy Cowell. The members provided delicious side dishes.

Last month the members discussed the current SAC policy prohibiting the use of paper supplies by our club. A letter was sent on behalf of our members to the CV Board on this topic. At this meeting a petition was signed by the members in attendance, which requested the Board to revise the rules and regulations so that the prior practice would resume (allowing the use of paper supplies for our monthly meetings).

Our next meeting will be at 5:30 pm on Thursday, June 9, hosted by Joanne and Bill Hansen. A sign-up sheet will be posted in the Card Room several days in advance. We hope to see you all there!
