FRIENDS HELPING FRIENDS

"Friends Helping Friends" is an organization of volunteers who are happy drive fellow villagers to medical appointments when they have no other means of getting there. This is a much-needed service, and the more volunteers we have, the less often any of the drivers will be called upon. If you can help, please call Jan Brostrom at 749-4255. We wish to thank those who have already answered our plea, and have volunteered their time.

If you are one who is in need of a ride to your doctor's appointment, please call Jan at the above number, and she will find a driver for you. We're happy to help.
